

# Alberta Council on Aging Covid-19 Survey. 2020 Responses

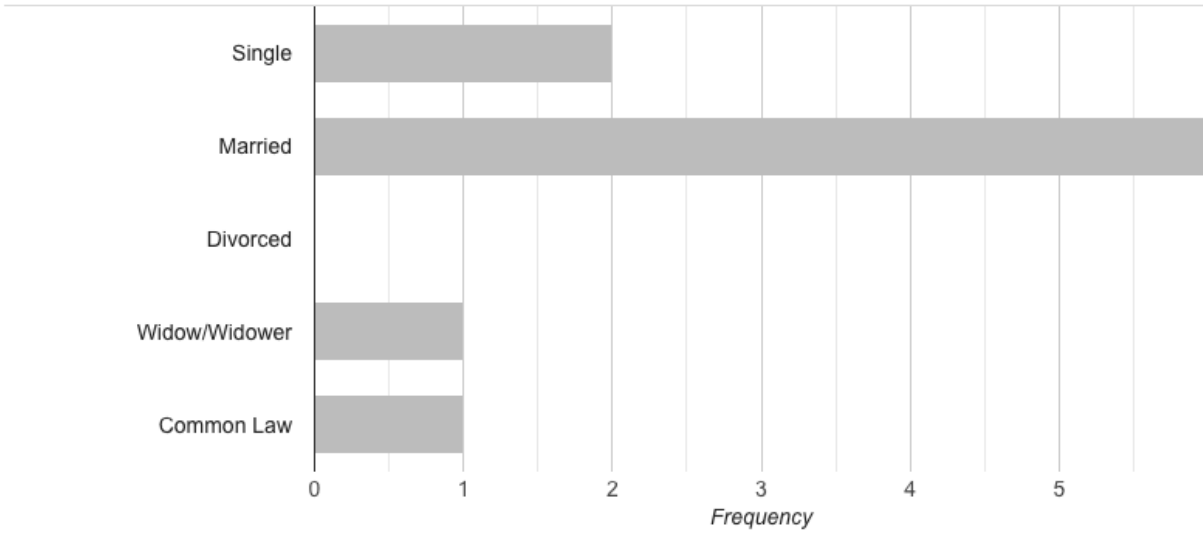

## Select Your Age

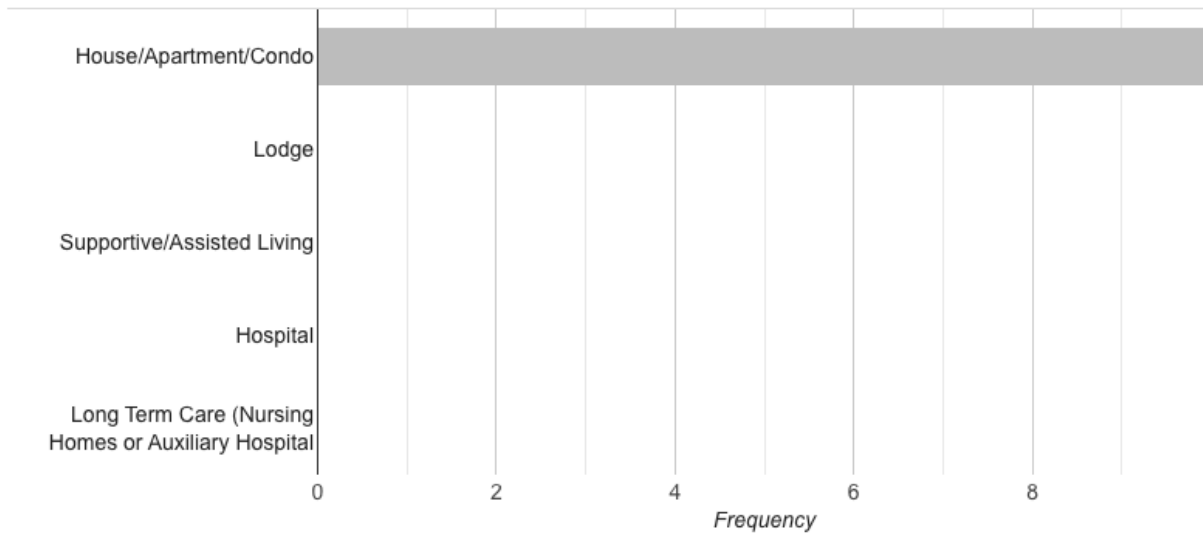

## Gender

Marital Status

What type of housing do you live in?

How would you describe your overall health before the pandemic?

Poor	Fair	Good	Great
0	0	7	3

---

Do you think your physical health has improved or declined during this time (post-March 2020)

---

Physical Health has declined	Physical Health has stayed the same	Physical Health has improved
1	7	2

---

Do you think your mental/emotional health has improved or declined during this time (post-March 2020)

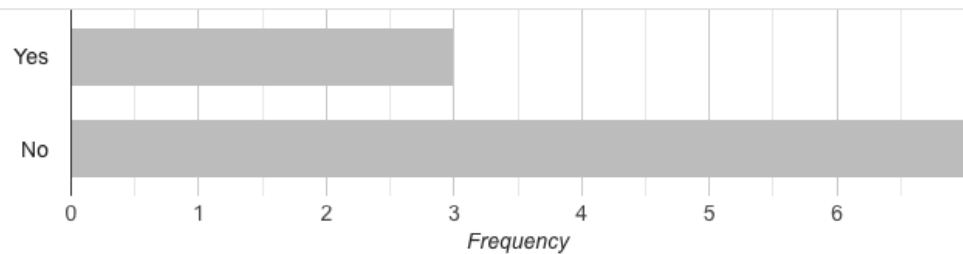

---

Mental/Emotional Health has declined	Mental/Emotional has stayed the same	Mental/Emotional has improved
5	3	2

---

Did you need medical attention during this time?

---

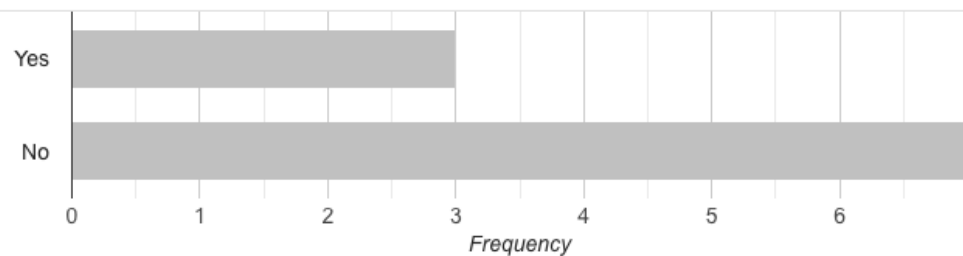

If Yes, what was your experience like?

- Post breast cancer and removal in 2019 treatment has been ongoing!!
- Varied. Concerns taken seriously and treated courteously by my family doctor and the various specialists and technicians I was required to see. Shocked to learn a clinic which does colonoscopies does not perform them on people over 74.
- Quicker and easier than expected

---

Did you receive home supports (meals, housekeeping, laundry) from paid workers or family/friends prior to Covid-19?

---

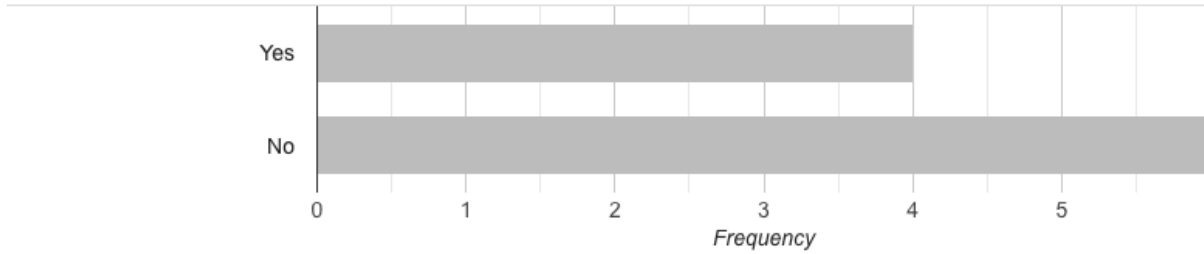

Did these home supports become reduced or discontinued during the pandemic?

---

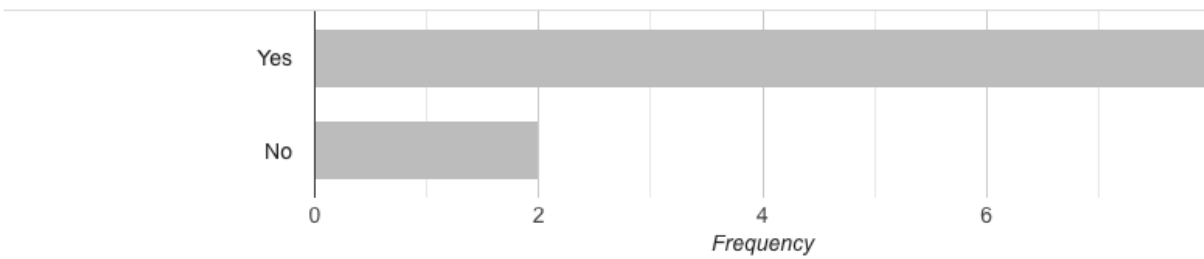

Home Supports Discontinued	Home Supports Reduced	Home Supports Stay the Same	Home Supports Increased
1	0	2	0

---

Did you receive healthcare services from paid workers or family/friends prior to Covid-19?

Have you received timely information on the Covid-19 Situation?

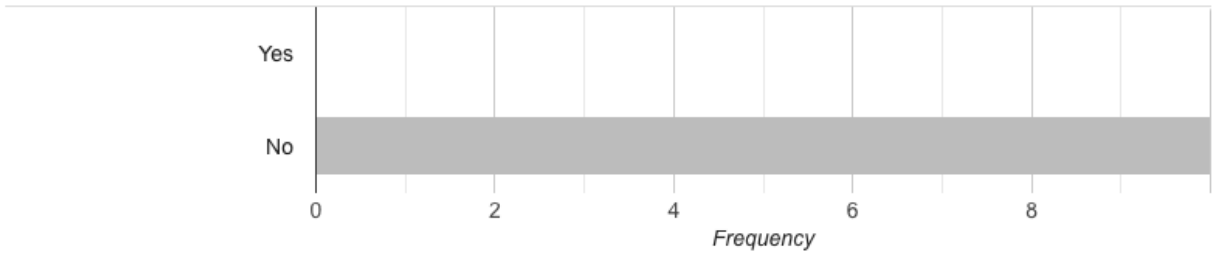

Have you had extra expenses since Covid-19 restrictions have been put in place?

---

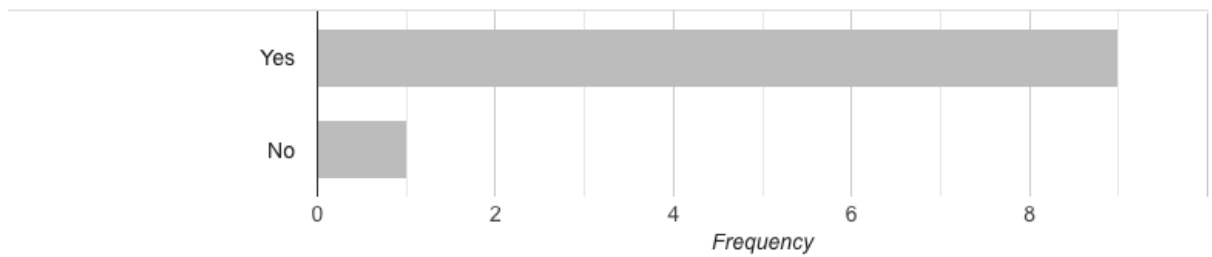

Expenses Reduced	Expenses Stay the Same	Expenses Increased
3	5	1

---

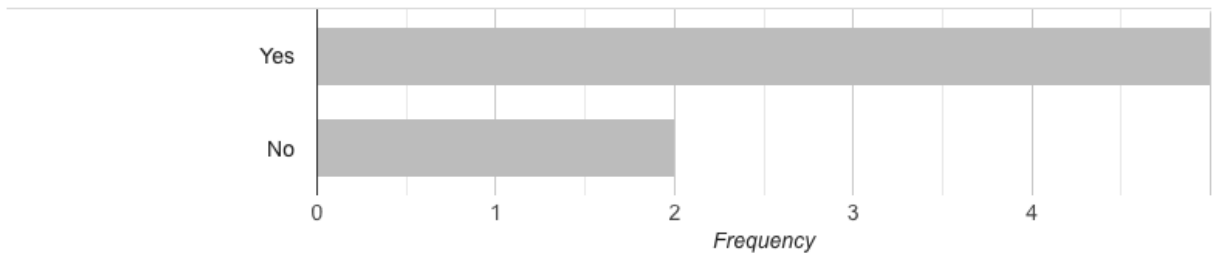

Have you been forced to defer bill payments or other financial obligations to support yourself or other family members?

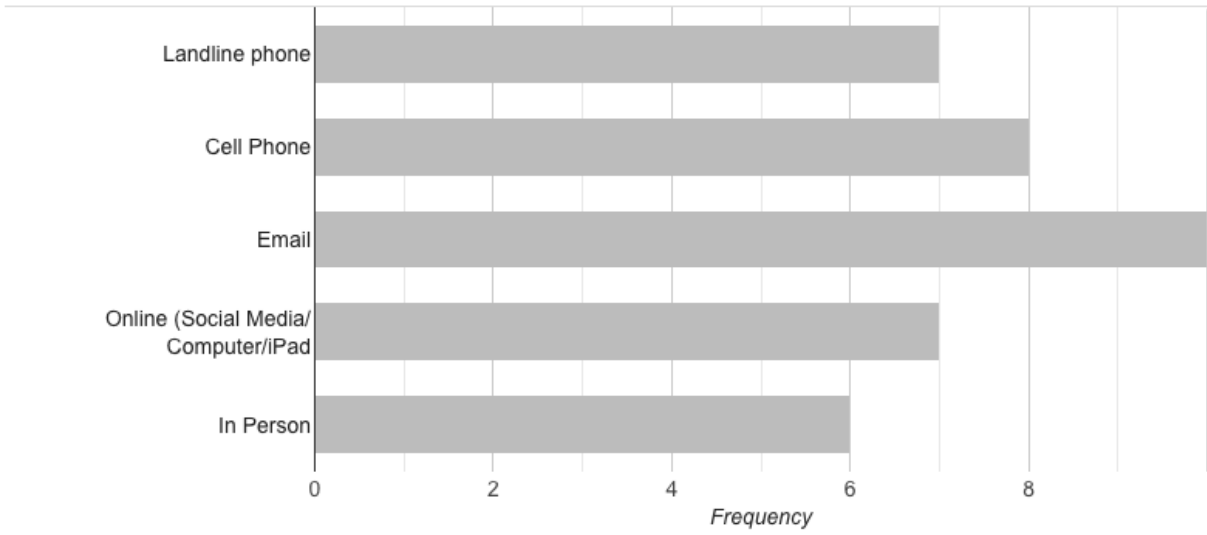

Were you able to obtain needed groceries, medicines, etc. in a timely manner?

If you did require help to receive essential services, were you able to receive the help you needed?

What methods did you use to communicate with others during the pandemic?

Are you a caregiver for a family member or friend?
